

Recital Hair:

1. **New Beginnings and Creative Movement:**
2. Dancers may wear their hair down and curly with sides of hair pulled away from the face with clips the same color as the hair or pulled back into a small high ponytail in back. (Use a ponytail holder in the same color as the hair.)
3. **All other Classes, Low Donut Bun—Outlined below:**

Recital Tip - Kid Proof Buns

- Slick hair back, with a middle part, using a wet brush and hair spray.
- Apply more hair spray.
- Then comb with the wet brush.
- Pull hair back into a low ponytail in line with the ears.
- Use a donut bun or a bun wrap to create the bun. (These can be purchase at Claire's, Sally's or Amazon.
- Your goal is a neat round bun.
- Secure bun with heavy hair pins and bobby pins ,(same color as the hair) Cross or X the pins to anchor them.
- Try to smooth out all whispies and remember no bangs.

If your dancer is wearing flowers, hair piece, head band, or hat on stage it must be secured with bobby pins so that it will not fall out. (Hair pieces are to worn on the dancer's right side.) **Details,**

Details, Details...

- The little things that we sometimes do not notice will become glaringly obvious in the stage lights.
- Be sure to snip any strings.
- Make sure tights are not sagging at the ankles. Wear new tights.
- Shoes should be spotless. Soft scrub is great to clean leather shoes, especially if they have had stickers on their shoes.
- Check for nail polish, tattoos, dirty shoes & tights, anything that will pop out and draw your eye.
- Make sure all children in the class have their tutus on the same way and their straps are attached the same as well.
